## FOR IMMEDIATE RELEASE

Author's debut novel is a thrilling historical fiction series of reviving George Washington into the future 2025.

## About The Books

Gil Hudson's first novel has remarkably become an exciting must read **POTUS 1 SERIES**.

In 2025, George Washington and his faithful servant, Frank Khamisi, have been fully revived after been preserved for over two centuries by ancient Egyptian chemicals once used to preserve the pharaohs. Now Dr. Palidore Montgomery and his assistant, Lynn Radford, face the daunting task of bringing their clients up to date on everything that has occurred over the past 226 years. What they don't realize is that the first president has his own agenda.

5 Star Rating on Amazon!

"Once again, love this book! Gil Hudson has found a new career! Can't wait until the next book comes out! Congratulations on another great read! Couldn't put the book down! This book is for men or women, but would get my girlfriends to read it, a little bit of a love story incorporating history and technology!"

## About The Author

Gil Hudson is a retired lawyer and substitute judge, whose career in politics included a local chairman and delegate to the 1980 Republican Party National Convention where Ronald Reagan was nominated for President of the United States.

Hudson's love of history and politics led him to wonder what our forefathers of this country would think of our current state of disarray.
